LANTERN WALK

Thanks to the Trengwainton team who came in on Tuesday to help the children make lanterns for the "lantern walk" on **Friday 4th December**.

The results of the children's work were amazing.

The children have tickets to attend this event for free.

It is always a really good evening to help you get into the Christmas spirit.

Please do go along if you can.

MADRON PARTY

The Madron Committee have another great event for the children to participate in before the lantern walk.

All children are invited to a Madron Party from **3.30-3.50pm on Friday 4th December** at Landithy Hall.

Because of this, there will be no clubs on **Friday 4th December**. This will enable all the children to attend the party if they wish and then go onto the lantern walk afterwards. The Party will be a really good way for the children to enter into Madron Feast events.

BIG WRITE

We have had a number of excellent pieces of writing from Class 2 this week. Please see the Big Write board.

A number of children have brought their work to me and I have been very impressed.

They have include Jowan Garcia, Josh Curry, Kyra Rayment and Grace Whitton.

SCHOOL PRODUCTION

There are a number of events coming up over the next few weeks including the School Production on **9th December at 2pm and 7pm**. We will be holding a raffle at this event. If you have anything you would like to donate as a raffle prize, please pass into Mrs Prichard in the school office.

Class 1 and Pre-School will also be doing a Nativity Play—date to be confirmed.

FROMS MEETING

There is a FROMS meeting (Friends Of Madron School) on Monday 23rd November at 9.00am, in the school dining hall. Please come if you can. New members are welcome. The group is raising money for a fun fit trail for all the children in the school.

NOTICE

Please can parents call the school office as soon as you are aware that your child will not be attending school due to illness. If Mrs Prichard or Mr Turner are unable to answer, please leave a message explaining the absence on the answering machine.
