WELCOME BACK

Welcome back to the Summer Term 2017. What a lovely Easter break we had with fantastic weather. We have a very busy term lined up. Please see dates for the diary on the back of this letter.

The children have made a great start to the term – Class 1 beginning work on Animals and their Habitats and Class 2 on the Amazing Amazon.

MEET THE TEACHER

Thanks to all those parents who attended the coffee afternoons. I do hope you found them helpful.

SUPER SKILLS

On Wednesday afternoons this term we are beginning a new initiative throughout school.

Super Skills Wednesday will give children the opportunity to work in very small groups to learn new skills.

This term the children will have opportunity to cook, make a bird box, design and paint their own T-Shirt, learn origami, use new Scratch IT software and finally create structures as part of a DT project.

Our Super Skills Wednesday got off to a really good start last week – the children really enjoyed trying some new skills. This will continue through the rest of this term.

STAFF TRAINING & CLUBS

Due to staff training, Cooking, Cornish and Rounders clubs will not be starting until the week beginning **Monday 8th May 2017**.
