FEDERATION

It has been great to receive so much positive feedback from parents and staff about the proposed federation with Sennen School. Please come along to the meeting on **Wednesday 16th March at 2.45** in the school hall. Governors of both schools will be present along with myself, to answer any questions you have about the changes.

Our Easter production will be on **Wednesday 23rd March at 2pm**. Please do come along and support your children. Hot cross buns will be served at the end. You will be free to take your children after the performance.

EASTER ART

There are six children, who display art and design skills who have been selected for an Easter Egg workshop being held at Causewayhead over the next 2 weeks. During the two sessions the children Kathryn, Tierhi, Jake, Nathan, Anouk and Alexa will be designing and making large Easter eggs made of wicker and tissue paper. These will be used to decorate Causewayhead shops over the Easter period. Thank you to the traders association for organising this event. The children will be working with local artist Harry Roberts.

The children had a great time at Wadebridge on Tuesday at the Food and Farming day. They were a credit to the school. I know the children learnt a lot about food and where it comes from. It was great that they were able to take part in so many hands on activities. Thanks to Mr Foulds who drove the children to Wadebridge and Miss Payne for helping that day.

OCEAN COMMOTION

On Wednesday morning 14 of our children took part in the Ocean Commotion rehearsals at St Mary's Church, in readiness for the performance on Monday evening. Please do come along and listen – it will be a fantastic performance I am sure. The performance is on Monday 14th at 7 pm.

OTHER EVENTS:

There are fun Easter activities being held for children, from the top of Causewayhead to the bottom of Chapel Street. Easter egg hunt, count the golden eggs, to name but a few. All taking place Easter Saturday.

Madron Well Wishers Wildlife Art Competition. Children are invited to create a wild life picture or collage using either paint, pencil, crayon, or pastels. Also natural materials (eg leaves, twigs, seeds, grass, petals etc) can be used. Please see the poster on the parent entrance giving full details.

Headteacher's Award:

Jake for excellent working in Maths.

Star Readers:

Roan, Aiden, Harry F, Kayden, Kathryn.

Karate Readers—Matty - Green
