### SUMMER TERM 2015 13 April—23 July

Welcome back to a new term with so much already planned and organised.

Please see on the back for the dates for the diary. What a fantastic Easter and start to the term – we have already been able to make the most of our wonderful grounds by enjoying time on the field at break and lunchtime. The Prederi area has been put to good use as well and it's been wonderful to look out at our fantastic view in the sunshine.

On Wednesday we enjoyed a beach safety talk from our local lifeguards. They were able to drive the surf van down into the school playground – so that the children were able to have a good look inside too.

On **Wednesday 22nd April** there is a coffee afternoon for all our **KS1** parents. Please do come along and find out what we will be doing this term. Thank you to all those who attended on Thursday for the KS 2 coffee afternoon.

Our drama keyboard, music and swimming lessons began this week and our **clubs begin next week**. Well done to all those who have brought back their slips in time.

Tennis club will begin on **Tuesday 28th**. Please look on the bottom door for information about who is cooking and when. Once again the children will be cooking varied balanced meals as well as cakes and buns.

Thank you to Uncle Percy who has donated a number of plants and seeds for our vegetable garden. We will be planting these very soon.

Today the children have been continuing to work with a professional artist to produce some Mosaics. We hope to make 8 in total which will go up around the school.

Well done to JowanT, Riley, Fern and Nathan – who did a brilliant job yesterday at the drumming workshop- for which they were especially selected to go. The 4 children were great ambassadors for our school.

It was really good to be able to award a number of children their first reading Karate bands in recognition for the reading that they have completed over the last few weeks.
