Thank you to all the parents who kindly bought some of the health food options being sold on Wednesday afternoon. The children worked very hard to produce what they sold, with plenty of learning going on behind the scenes to ensure that they could work out profit margins. Product design and surveying also went on to ensure best flavour that would sell.

Please ensure your child's PE kit is in school on a Monday morning and stays in school for the week. Full PE kit must be in their bag

Well done to all those who represented St Maddern's at the Athletics Championship at Carn Brea on Thursday. Jowan T, Malakai, Isabella, Calan, Jake, Joshua C, Nathan, Aiden, Riley, Jowan G, Tiffany, Tierhi, Kelci, Millie and James K were great ambassadors for our school and it was good to see how they really encouraged and cheered each other on. The standard was very high as you can imagine because all the schools in this area were taking part. Isabella gained a Gold Medal for coming **first** in the 600 metres race.

We were unable to attend the Music Lab on Wednesday as we received an email the night before to say due to technical problems the technology was not working.

We had prepared an e-safety workshop for parents and children on Wednesday – but due to the PFE work we will now be delivering this on another afternoon. We will let you know as soon as we have rescheduled.

Thank you for the kind donation of plants from Uncle Percy via Connie. Our pots are now full of plants and thank you to Fern and Aiden who worked hard to plant them in.

Today children have been taking part in a very busy creative day. Not only have they been working with the artist Emma on a 3D Sculpture as part of our Mazey Day display, they have also been working with Lesley on items that they can carry as part of the processions. They have also been working on the mosaics which will soon be going up around the school grounds.

Next week there are a number of learning opportunities taking place through the week. On **Tuesday** KS2 children will be visiting Tesco and going behind the scenes in the store. We will be finding out about how food comes from farm to fork! On **Thursday** KS2 will be going to Trengwainton to work with the Head Gardener Phil – as part of their science curriculum. Then on **Friday** we will be visiting Trengwainton again with local artist John Keys as we launch our scarecrow making event. The theme this year is Alice in Wonderland. We will be asking if anyone has any old clothes that may be good for our scarecrows this year. On the **23rd June years 4, 5 and 6** will be going surfing. Please find attached the letter and form that must be filled in by you. We can only take children who have brought slips back.
