MAZEY DAY

Our theme this year is 'all at sea' – we will be making a large figure of Nelson. We will be wearing blue and white or red and white (stripy t-shirts) for the event.

WELL DONE

Well done to Class 2 children who performed at Wall Music Festival this Wednesday and came 2nd place with a commended mark of 85. The children did themselves proud and represented the school brilliantly. Well done. This will be added to their Children's University Passport book.

LOBSTER HATCHERY VISIT

The children had a very interesting morning with Cat – the Lobster lady from the National Lobster Hatchery in Padstow. They learnt many new facts about these amazing creature. The children were able to see lobsters in the first four stages of their life once they are hatched.

TEACHING AND LEARNING DEGREE

Any one interested in taking a Foundation degree course in teaching and learning (for 1 day a week – a course is beginning in September in Penzance) The costs are met through the normal student finance route. Please contact the school if you interested in this.

WELLY WALK

Well done to the Nursery who took part in the welly walk last Friday. The children did a brilliant job and a large amount of money was raised. A special mention to Wesley who raised over £90 in sponsorship.

SCHOOL NURSERY PLACES AVAILABLE

The school nursery has space available for 2, 3 and 4 year olds in September. 30 hours of **free childcare** is also available for 3 and 4 year olds for parents that work 16 hours or more each week. Please spread the word and contact the school office or talk to Fay (in the Nursery) if you want to find out more information.

BIKEABILITY

Year 5/6 will be taking part in Bikeability starting on the week of **12th June**.

These sessions will be on a Monday (9am-12) for 3 weeks. Children taking part in this must have a roadworthy bike (tyres and brakes that are working well) and have a helmet to wear for the sessions.

If your child does not have the right equipment please contact the school as we do have some spare equipment.

HEADLICE ALERT

Please can you check your child's head. There has been an outbreak. Tangle spray (£1.50 per bottle) is a good way to help clear away eggs from the hair, as they slide off onto the comb and can no longer grip onto the hair once the liquid has been applied. Conditioner is also good for this.

ARTS WEEK

Next week the children will be taking part in a variety of Arts' event which will include the construction of Nelson using willow and tissue paper. Please could children bring in an old shirt to put on over their uniform if possible.

WANTED

Old long/short clean socks any colour—odd socks are fine. We are making puppets out of them as part of our Superskill Wednesday.

CORNISH CLUB

There is no Cornish club this week (Tuesday 23rd May) as the club has now finished for this half-term.

YOGA CLUB

Yoga club begins on Tuesday 13th June after school.

MADRON SPRING FAYRE

Saturday 27th May from 11am in Landithy Hall.
