### **WALL MUSIC FESTIVAL**

It had been another busy week of learning for children at St Maddern's.

On Wednesday KS2 children did themselves proud at the Wall Music Festival gaining a Distinction for their singing and winning the class for Choirs from schools of less than 100 pupils.

The children sang beautifully and were fantastic ambassadors for our school.

Thanks to Ms Judge who accompanied the children yesterday as they sang.

### **WILDLIFE POND AND FITNESS TRAIL**

This week there has been a lot of building work going on in school.

On Monday Mr Figg and Owen Smith installed a wildlife pond in our grounds. This will be filled with water once the fence has been put around for safety reasons.

In addition, we are now very lucky to have our own fitness trail in the school grounds with fantastic large apparatus to play on.

Children will be able to use this in school time but must not be used after school or at weekends.

### **FIRST AID**

On Thursday afternoon the children took part in some very practical learning – linked to First Aid.

The children recapped on some of the learning from last year and built on it.

They now know what to do if anyone is choking.

This learning is part of the Pegasus Award.

### **NEW STUDENTS**

This week we welcomed 3 students from Plymouth University to our school who are on placement here for 5 weeks.

Miss Reeve will be working in Class 2 and Mr Tulloch and Mr Murrant will be working in Class 1.

### **HALF TERM**

Next week we break up on Thursday afternoon at the normal time. There will be no clubs on the first week back after half term. There is no school for children on **Monday 6<sup>th</sup> June**.

School starts again on **Tuesday 7<sup>th</sup> June**.

### **HEAD LICE**

Please be vigilant and check your child's hair. Head lice have been found recently. Please ensure you treat your child.

### **SCHOOL BANK**

The school bank is open on a Thursday morning from 8:30am each week. Some children have saved well over £100 so far since January which is fantastic.
