Inspire young people for the rest of their lives.

Mounts Bay Academy is one of the leading schools in the country thanks to our outstanding approach to student learning and our engaging adventure learning curriculum which is unique in Cornwall.

We are the lead school in the Applied Minds Teaching School Alliance which offers world class training opportunities to teachers and those wishing to have a new career in one of the most fulfilling professions available.

We are looking for the next generation of teachers to train with us at Mounts Bay Academy and at our Partner Secondary, Special and Primary Schools.

As a trainee teacher, you could receive a bursary of up to £25,000 while you train. Most importantly you could also be the the inspiration that influences a young person's life.
