TRENGWAINTON VISIT

This afternoon the children enjoyed their trip to Trengwainton Gardens. We were lucky to have a guided tour of the Dig for Victory Gardens and the Air Raid Shelter. We are very lucky to be so near this fabulous venue. The visit really helped to bring learning alive.

Please note that swimming for KS1 is cancelled on Friday 12th February

There is a special menu being provided on **Tuesday 9th February** to celebrate the Chinese New Year. Please see poster on the parent entrance.

We are collecting Sainsbury's Active Kids Vouchers. Please put them in the box at the parent entrance.

SCHOOL OPEN AFTERNOON

Please come to our parent's and children's afternoon on **Monday 8th February 2.30 pm—4.30 pm**. This will be an opportunity for your children to show you the work they have been doing and progress they have made. Teachers will be available to answer any questions you may have.

Please return your slip giving an indication of the time you will be attending.

Next **Friday 12th February**, we will be holding a very exciting event for children and parents rounding off our immersive learning for the term of World War II. There will be a final assembly at 2.30 pm, where children will be performing and showing some of their work to parents. Please do come along and share in your children's learning.

Well done to all those children who have been working hard during the early morning lessons that are taking place. Children are really benefiting in having those short sharp bursts of teaching in very small groups. A polite notice – children are not to go into classrooms until 8.45 am, unless they are working with an adult.

Well done to all those who have been saving regularly. Quite a number of children are on track to gain £1 for saving for 10 weeks in a row. The amount that is saved is not important – the £1 is given to those who consistently save for 10 weeks in a row.

Thank you to Mr Meyers who came in today to talk to the children about his memories of WWII.

SAFER INTERNET DAY

Next **Tuesday** the children will be taking part in a Safer Internet Day as part of the computing curriculum. There are potential dangers with the use of the internet and our e-safety learning is to remind children of potential dangers and to learn how to keep safe when online.

FAMILY SUPPORT

Our Family Support Worker, Sue Cripps is available for parents and carers to talk to. If you are struggling with any issues, please call 07807737356. Sue is also in school on Friday 6th May between 2.30 and 3.00 if you wish to see her.
