

Daily Reflection

Wednesday 3rd June

Our value this half term is

Today, as the Year 6 children have been talking about the troubles in America, we looked the wisdom needed in being a peacemaker.

We thought about Pentecost and the Holy Spirit inspiring the disciples to go and tell about the teachings of Jesus.

We read the Beatitudes, these two sentences seemed to link with current events.

*Blessed are those who long for a world without injustice,
for God will answer their prayers.
Blessed are the peacemakers for they will be called the children of God.*

We acted out situations (with social distancing) to look at how, when small things go wrong between people, you can use wisdom to solve problems making sure that what you do doesn't make things worse.

The children listed these qualities in wise peacemakers:

You need to:

- Listen
- Be empathetic
- Be ready to understand things
- Be prepared to admit when things have gone wrong
 - Know that things can get misunderstood
 - Be forgiving

So today we say a pray for wise peacemaking in our homes and in the world.

Dear God,

We thank you for the inspiration of the Holy Spirit.

Help us to act wisely and bring about pathways to peace in all situations.

AMEN
