

*Together we can make a difference*

## **Reflection 2 week beginning 15<sup>th</sup> June**

### **The Wonky Donkey**

This week, Rev Sian shared this book with the children

When you look at the picture you can't tell that this donkey has only 3 legs, one eye, likes country music and is a bit smelly at times!

But the point of the story is that none of us are perfect, and beyond the donkey's imperfections he was loved for being him. We all have things we can't change but to God we are just as we should be. Everyone is unique and special and loved by God even though we are not perfect.

In the words of a song:

'There's no one of Earth that is quite like me and no one that's quite like you.

And if you want to paint a picture of everyone, you'll need every colour under the sun'

So this week we celebrate our diversity that makes us unique and special, knowing that God loves us as we are.

Dear God,

Help us to value each other.

Help us to remember that everyone is unique, and it is this amazing diversity that enriches our world.

Help us to remember that you love us, just the way we are,

AMEN
