

Together we can make a difference
Daily Worship Wednesday 6th May

Today in our assembly with Rev Sian we continued to use the image and structure of the labyrinth to be thankful.

We placed ourselves around the outside of circle and thought of all the people who are helping at the moment to keep safe and keep well. We prayed for all the children and adults in school to continue to work as a family, looking after each other and making sure we were safe.

Reflection

Which people are helping you keep safe at the moment? Can you be thankful for them and think of a pray you could write?

Dear God,

Thank you for each and every one of us.

Help us to remember to be thankful for those around us at this time who are helping us to keep safe and well.

Thank you for caring for everyone one of us, as though there was only one of us,

AMEN
