

Friday 4th February

## What we've been learning this week!

**Pre School** have been learning the concept of 'last' with Concept Cat. They have also been busy building with the planks and tyres and learning how to balance.

**Reception** children have been problem solving about how to free animals from the ice traps set by the ice monster! Well done to Benjamin for thinking of using salt to dissolve the ice!

**Year 1 and 2** have been on a plant search around our grounds. The children found different types of plants and flowers.

Class 2 have been writing their own animal fables. They have also been tasting chocolate and Year 5 and 6 have been using chocolate in their maths lessons to work out fractions! In their PHSE lesson the children have been thinking about their school community and the role of people with in it.

## World Book Day Thursday 3rd March

### Get ready for celebrating reading!

We are asking children to dress up as their favourite book character.

We will be organizing a sponsored read for that week starting on Tuesday 1st March—Thursday 10th March, More details soon.

## St Pirans Day Celebrations!

On Thursday 3rd March the St Piran's concert will take place at St John's Hall at 7pm. We will be inviting all of class 2 to take part. It is 2 years since we took part in this and we would like a good group to show off our fantastic singing, More details next week.

## Nurturing your child- Children Mental Health and Well Being week

Next week we will be having more focus on Mental Health and Well being. At Madron School we already do lots of work on this with your child through our Culture of The Heart programme and whole school ethos. Working with Tough Dough on the Seek Projects we are aiming to include families in our approach as well. It's not always easy being a parent and looking after yourself is important and contributes to your child's well being.. The theme for the week is 'Growing Together', getting children to reflect on how they have grown and can help others to grow.

Here is a link to a website you might want to explore at home

[Parents and Carers - Children's Mental Health Week \(childrensmentalhealthweek.org.uk\)](http://childrensmentalhealthweek.org.uk)

## Safer Internet Day

Tuesday 8th February is also Safer Internet Day. The theme this year is 'All fun and games? Exploring respect and relationships on line' We will be working with the children to explore this theme.

A useful for parents and carers with 10 top tips is:

[Advice for parents and carers - UK Safer Internet Centre](http://www.saferinternet.org.uk)
