

Worship from Rev Sian

Thursday 21st January

Our Christian Value for this half term is Hope.

Let's start by welcoming the day

The night has passed and the day lies open before us.

What are you thankful for today?

**Want to be a super hero? If you could be a hero which one would it be? I wonder how you made that choice?**

**Was it the way they dress?**

**The way they look?**

**The things that they do?**

**Is it the super power that they have?**

**You might want to talk to the grown up who is with you about your choice of super hero. The grown up might also share with you who their super hero is!**

**Yesterday in America something very important happened.**

**A new person becomes their new president. You might already know his name. Jo Biden. He was chosen by the people of America to be their leader.**

**Some people believe that the President of America is the most powerful leader in the world. I wonder what it was like for him when he becomes president of the USA yesterday?**

**He made his promise (the Oath of Allegiance) to serve the people of America in front of lots of people.**

**He placed his hand on a bible when he made that promise.**

**Yesterday as we said prayers in school he also went to church to say his prayers.**

**He asked God for help and wisdom for the very important job that he is taking on.**

**You might want to say a pray for him today. Being a leader is not an easy task.**

**Many Christians believe that we are all called to help and serve each other whoever we are and wherever we live. It takes all of us to work together to make this world a better place, to make the world a place full of hope.**

**But making a difference can take courage. If you want to become a real Super hero what is your hope? What can you do now to help make this world a kinder and better place?**

**Perhaps you might like to draw a picture of yourself as a Super hero. What will the picture be like?**

**What are you going to show yourself doing to make a difference in the world?**

Love

Joy

Hope

Justice

**We would love to see your pictures of YOU, as the superhero of HOPE.**

**You might want to pray this promise prayer.....it is very much like the one Jo Biden made and prayed as he became the President of America.**

**"I, ( put in your own name , do solemnly promise that I will faithfully execute my role in healing, reimagining, and rebuilding our world , and will to the best of my ability, preserve, protect, and defend dignity, justice, and joy for myself and for all around me, and that I will do so with love."**

**For younger children**

**I promise to help make this world a better place. I will be fair and kind to all around me. I will look after this planet. Please help me God to become a super hero of hope.**

**An Baya**

TOGETHER WE CAN MAKE A DIFFERENCE
