

Friday 13th May

Welcome to the Summer Term!

We have lots of exciting things planned to make learning memorable for your child this term.

All classes are busy planning their trips and visits linking to their topic work. Class 2 are off to Kresen Kernow the Cornish Archives Library to look at historic evidence about mining and also have trip to Geevor planned. Class 1 have already visited Helston Museum to find out about Henry Trengrouse and have a farm trip planned linked to Healthy eating.

We also have a number of art projects this term, Class 2 be making scarecrows for Trengwainton Gardens to celebrate 60 years of the National Trust so we will be making 6 scarecrows based on characters from popular culture from 1960s –2020s. Let us know if you have any ideas!

Mazey Day is back on Saturday 25th June and we are once again taking part, working with artist Amanda Lorens to create a 2D image and hand held images for the children to carry. Please look out for a letter about this next week. Amanda is working with us on 20th and 27th May and we welcome parent helpers on those days.

Class 2 are taking part in a new musical working with the Minack Theatre. The musical is called One Small Bird. This song cycle was inspired by the RSPB's 2014 discovery of the migratory route of one of Britain's rarest birds, the red-necked phalarope. This tiny creature, which weighs no more than a packet of crisps, successfully crosses the Atlantic between Shetland and Peru every year. It passes through environments as diverse and challenging as the icy regions of the north and the storms of the Caribbean. The music reflects this journey and I am sure it will be wonderful show. Year 6 parents and carers have advanced booking for this and tickets will be available for everyone from the June 3rd via The Minack box office. We are performing on Tuesday 28th June.

We are also involved with Madron Celebrations for the Queen's Jubilee. We are contributing to this with a concert of popular songs from the Queen's reign and some art work. We are performing our song on Friday 10th June at 2pm in Madron Church.

We are planning to celebrate the Queen's Jubilee in school Wednesday 8th June with a tea party and celebration on the school field. Watch this space!

Hilary Tyreman, head teacher

Assembly Theme this half term Service

Our assembly value this half term is Service. We will be exploring this value through bible stories and activities. We have been spotting acts of service around the school and thinking about how we can use our Gifts and Talents to serve others. We are planning to hold our Big Breakfast for Christian Aid in our canteen Friday 27th May, watch out for the invite!

Children Flourishing at Madron Daniel Cof E School

Star of the week

Class 1 Ollie

Class 2 All of Year 6 for working so hard
in their SATS this week

Perseverance

Class 2 Daisy

Respect

Class 2 Tyler P

Responsibility

Class 1 Rory

Generosity

Class 1 Brody

Golden Token

Class 1 Brody

Class 2 Evie

*Well done for all these
children!*
