## Class 2 Visit to St Michael Mount

As part of their Extreme Earth topic class 2 visited St Michaels Mount on Tuesday 11th October. Here is a recount of the trip written by Olivia

The beginning of Olivia's recount....

Yesterday the 11th of October, class 2 went to St Michael's Mount to visit the castle.

We got to school and got straight on the bus to go to Marazion beach, we got there and climbed onto Chapel Rock to catch the boat. It took about five minutes to get into the harbour. We climbed up the stairs to the top of the harbour wall. We got talked to by a Mount worker, they said there was foot prints by Queen Victoria, Prince Albert Queen Elizabeth, Prince Philip, King Charles and Queen Consort Camilla. After that we put our bags into a shed.....

Back in class the children have researched the different rocks that make up the Mount and linked this to their science learning. See if your child can tell you all about this!

## Year 6 children

## Parent and Carers - supporting your child

Thank you to everyone for attending these parent consultation this week.

The very best way to support your child at home is by hearing them read as much as possible. It can be any book –the child's reading book, library book or home book, please jot this in your child's reading record. Reading is the most important skill your child learns at school.

After half term we are starting Reading Karate bands with class 1 for home reading.

## Free Cooking lesson and meals!

We all know it is going to be hard this winter. Cornwall Rural Community Charity is offering free cooking lessons, including free ingredients, to family members who would benefit in this cost of living crisis.

The lessons in the Landithy Hall in Madron will take place on Thursdays from 11am to 2.30pm. Participants will learn on three consecutive Thursdays:

Group one: 17<sup>th</sup> and 24<sup>th</sup> November, 1<sup>st</sup> December

Group two: 8<sup>th</sup>, 15<sup>th</sup> and 22<sup>nd</sup> December.

Each week participants will be taught how to cook and store healthy, economic meals and will go home with 4 meals to feed the family that week. The classes will be run by a professional chef and **everything will be free!**

**Pop into the office to put your name down for this free opportunity.**
