

Together we can make a difference

Daily Morning Worship Wednesday 20th May

Today in our reflection with Rev Sian we continued to think about the journeys that we go on.

We thought about how we feel.

We sang " God's love is very wonderful"

We remembered that God is with us and loves us when we feel happy or sad, friendly or moody.

What will make us smile today?

If we feel sad or lonely or confused who might we talk to? What prayer might we say?

We use the labyrinth image again and thought about how we can feel as we journey through life.

Dear God, thank you for always being there for us, when we are happy, when we are sad, when we are lonely and when we are worried

Amen
