Please note this is for FSM Pupil Premium Children not Universal Free School Meals provided for class 1. We have sent you a text if you are eligible.

Food packages for w/b 20th April will be available on Monday 20th April

To collect your food package and comply with social distancing please follow the instruction below:

- **Please come to collect food packages from school between 11:30 and 12:30pm Monday 20th April**
- The food packages will be on the benches, set 2m apart, outside the school building. Please collect package and then leave the site. **DO NOT COME INTO THE SCHOOL BUILDING.** A member of school staff will tick you off the list, so we keep a record of who has collected their food package.
- Please observe social distancing, keeping a minimum 2m distance from other parents and carers. Please ensure that only ONE person at a time is coming through the school gate.
- Please wait outside the gates if another parent or carer is collecting a food package so that you keep at least 2m apart. If there are other parents and carers collecting then queue outside the school gates, at least 2m apart.
- As soon as you get home, wash your hands for least 20 seconds.
- We will distribute any uncollected packages if you are unable to get to school. We will be knocking on your door and then leaving the package outside, always keeping a minimum 2m distance between yourself and others.
- We have opted for food packages this week – I will inform you if arrangements change.

Thank you in advance for following these instructions and your understanding at this challenging time.

**Protect yourself, protect others, protect the NHS,
save lives.**
