Marvelous Mazey day

It was so good to be back celebrating Penzance's special day on Saturday!

Our dolphin and fish sparkled in the sun and we were very proud of the children carrying banners and images. A massive thank you to parents for helping as well. It was great to see the smiles and waves from the crowd. Our thanks to artist, Amanda Lorens for making the images with the children, inspired by class 2.

Here are the children's comments: 'I liked holding a rainbow fish!' Daisy class 1, 'I liked it because I got to be with my friends on Mazey day and I also got to see places in towns I had never seen before.' Leo class 2

One Small Bird

We were so proud of our class 2 children performing at the Minack on Tuesday in One Small Bird. Together with other schools they told the story of this amazing red-necked phalarope bird which successfully crosses the Atlantic between Shetland and Peru every year. It passes through environments as diverse and challenging as the icy regions of the north and the storms of the Caribbean.

Our children performed extremely well and were fully focused throughout. They also had a dance to perform as well.

Our thanks to Miss Judge for teaching the children and also to the children themselves.

Uniform

We will be ordering more uniform for the new school year. We are also going to have team coloured t shirts and are planning to get hoodies and tracksuit bottoms so we also look smart on PE days too. If you have any uniform in good condition that your child has outgrown, please bring it into school so we can offer this to parents for a small contribution. We also have some funds in school to help with the cost of uniform, please pop into the office.
