Dear Parents and Carers,

We are continuing to have a busy half term.

Mazey Day Thank you to all children and families who supported the Mazey Day Parade. The big caterpillar was responsibly carried for the whole procession by children in Class 2 who showed great team work and perseverance. Thank you for making sure the children wore green and the overall effect with the characterful leaves, caterpillar and butterfly was stunning. I was very proud of the children and our thanks go to our artist Amanda Lorens, who took the idea and made the images with children and parents and to all the staff for supporting a very successful day.

Surf Day Class 2 had a good day surfing at Praa Sands on Monday. The children were supportive to each other and this was a good team building event for Class 2.

Forest School Celebration Project Outside Class 2 will be celebrating their Forest School Project on **Tuesday 9th July at 2:30pm**. All welcome. I am not writing any more as the children have been tasked with creating invitations! We have had feedback from the Forest School providers and will be asking the children about this. I also would like your views on this project so please pick up a short questionnaire on Tuesday.

We will also be seeking your views about the school later this term. There will be a questionnaire with your children's report that you will receive next **Friday 6th July**.

There continue to be lots of events coming up this term and I hope to be able to see you at these. Please remember if you have any concerns please about anything please see your child's class teacher or if needed arrange an appointment to see me.

Responsibility Challenge All the children have brought home a letter about a Responsibility Challenge. Please help the children find a small cardboard box that they can put in picture or models to show what they are responsible for. If you want to create one as well that would be great too. Please send all these to school by Monday so we can share in assembly and create a display for our end of term assemblies. This will really help the children understand what being responsible means to them.

Move Up! Day On **Thursday 5th July** all Year 6 are spending the day at their chosen secondary school. Your child needs to go there on Thursday and NOT come to St Maddern's. You also need to make arrangements for your child to get home as well. At school we will also be having a Move Up! time with children in Year 2 joining Class 2 for the morning and Pre-School children joining in more with reception. We are also holding a Welcome to St Maddern's Meeting for all new reception children on **Thursday 12th July at 9am**.

Peter and the Wolf The children have been listening to the music of Peter and the Wolf with Miss Judge. Emma Griffiths, our art teacher has also made masks with the children based on the characters from the story. Penzance Orchestra are performing the work on Sunday in St Mary's Church Penzance at 3pm. Tickets are £5 but children are free due to a generous donation from the church. Your child can bring and wear their character mask for this event.

Thank you for your continuing support of your child's education.

Kind regards,

Hilary Tyreman

Executive Headteacher

STAR LEARNERS

Leo for trying really hard with his reading, and using his sounds to help himself.

Rio for taking responsibility for resourcing himself in maths.

PERSEVERANCE

Erin for trying very hard to work out how to spell words for herself, and then using the resources in the classroom to help.

RESPONSIBILITY

Jack and Grace W for helping each other in lessons.

READING KARATE

Liara (Green)

GOLDEN TOKEN AWARDS

Jack
