

We are continuing our Care for Creation theme today.

‘Even the sparrow finds a home and the swallow a nest for herself where she may have her young near to your altar’

Psalm 84 1-4

Jesus also tells us that God cares about even the smallest sparrow..

But tree sparrows have declined by 95% since 1970 due to increased building.

What can you do to help birds this weekend?

You could:

- Create a habitat in your garden or yard that is helpful to birds
- Put out some food and water – the birds are missing us humans leaving crumbs behind!
- Make a poster about helping birds – look at <https://www.rspb.org.uk/fun-and-learning/>
- Plan for what we could do in school to improve our environment for birds when we come back

Send any pictures and ideas to your class teacher or head@st-marys-ce-pz.cornwall.sch.uk

Or head@st-madderns.cornwall.sch.uk

All creatures great and small

All things wise and wonderful

The Lord God made them all!

Can you sing this with someone today?
