

Journey into Easter with Children

This week is an important week in the life of our school, Holy Week. We have normally followed this with the children in school and last year had a joint activity day across both schools looking at Holy Week events and the thoughts and emotions that this week provokes.

This year we are using resources from 'Imaginer' publications. The story of Holy Week is told through looking at a piece of art each day. We hope you find time to look at and reflect on these with your child.

We would love to see any responses to the stories as suggested.

Please post these to your class's facebook page or email to either:

Together we can make a difference.
