

Corona virus update information

Dear parents and carers,

In these unprecedented times we are aware that many families may have lost income and may be having to apply for Universal Credit.

In school we currently have list of families who qualify for additional support with food packages etc but we need to try and work out if there are any additional families who may need support at this time.

If you are in this situation please can you email:

head@st-madderns.cornwall.sch.uk or phone

St Mary's C of E School on 01736 363009

Confidentiality will be respected at all time. This about services and communities working together to support each other.

Thank you in advance for responding to this request,

Hilary Tyreman, head teacher
