

### **Daily Morning Prayer Wednesday 15<sup>th</sup> April**

Today in worship with Rev Sian, we explored the idea of a going on journey, we used 'We're Going on Bear Hunt'

We thought about the journey in the story and the journeys that we make every day.

If you go out today what can you see on the journey that you are making?

Is there any new life around?

What are you thankful for on your journey?

Are you having to be courageous when you go out?

Do you have to persevere on your journey?

Dear God,

Thank you for creation and the new life all around in Spring.

Help us to be thankful and courageous on our journey through life at this time.

Amen
